What Does Amerimold Mean for Mold Builders?

WHY ATTEND?

REACH ACTIVE MOLD BUYERS

The number one reason attendees visit Amerimold is to look for molds/dies/tooling & mold building services!

IMPROVE YOUR PROCESSES

The Amerimold Tech Talks focus on designing, building and maintaining molds. The interactive sessions are ideal for providing you and your team with ideas you can use to make your shop more effective and more efficient.

EVALUATE NEW EQUIPMENT TECHNOLOGY

The Amerimold exhibit hall showcases leading suppliers of machine tools, cutting tools, mold components, materials, software and much more. You and your team can see and source the products and services you need whether you're in the business of engineering, building, or maintaining molds!

NEW THIS YEAR:

Amerimold is co-locating with Plastics Shop Floor Expo which will bring more value and more buyers to your Amerimold 2017 investment.
